Dear Sir,

Enclosed is two letters which  
came to our care since you left here  
Our Mr. S. took the liberty of opening  
them supposing they might require some  
immediate attention — we find how-  
ever they are memorandums for  
more good; should you not have  
purchased the articles mentioned  
in those letters, & wish to have  
them forwarded, we shall be  
happy to attend to it for you,  
on receiving your instructions.

Yours respectfully  
Providence & Amherst
